

PSIA-AASI FOREIGN CERTIFICATION EQUIVALENCY POLICY

For snowsports instructors with foreign certifications seeking PSIA-AASI certification.

- Must become a member of PSIA-AASI.
- Must be current and provide proof of active certification from another country/association.
- Reference the PSIA-AASI Foreign Certification Equivalency for recommended equivalent level of certification.
- Holder of equivalent foreign certification may take the equivalent level of PSIA-AASI certification or one level above, up to Level 3.
- PSIA-AASI certification is not granted until successful completion of the entire exam process including prerequisites.
- PSIA-AASI certification must be maintained by standard continuing education policy.
