

## WESTERN DIVISION

The Professional Ski Instructors of America (PSIA) and the American Association of Snowboard Instructors (AASI) are recognized nationally and internationally as the leaders in snowsports education. They provide exceptional training, education and certification opportunities all while developing camaraderie with colleagues, the fun of learning, and the reward of teaching and sharing your passion for snowsports with others.

Becoming a member of PSIA-AASI entitles you to a comprehensive benefits package including:

- Educational Programs (clinics, conventions, academies)
- Internationally Recognized Certification
- Educational Scholarships
- Professional Publications, Educational Materials (manuals & videos) & Web-Based Resources
- Promotional and Professional Offers and Programs (including but not limited to equipment, accessories, lift ticket discounts, vehicles)

Please follow the directions below to become a **PSIA-AASI Western Division Member** and register for clinics, conventions, educational events, and more.

**Step 1:** Register to become a member of PSIA-AASI-W go to [psia-w.org/membership](https://psia-w.org/membership).
