

WESTERN DIVISION

PSIA National Team Tryouts and Western Division Endorsement

The PSIA-AASI National Team selection will take place in the spring of 2020. To help prepare our division's most qualified candidates, PSIA-Western will provide an endorsement and a year-long training pathway. For alpine instructors to earn this endorsement, qualified candidates will go through an application process and be selected by Western Division's Alpine Committee.

This Divisional Endorsement application process is open to candidates who possess the following:

- Member of PSIA-AASI Western Division in good standing
- Alpine Level 3
- Child Specialist 2

The application will include:

- Letter of Intent outlining your motivation for joining the PSIA-AASI National Team and your qualifications.
- Resume highlighting your ski industry accomplishments.
- Qualified applicants will be invited to an Education Staff development day where they will participate in the on-snow training and be interviewed by participating members of the Alpine Committee.

Alpine candidates who receive the Western Division Endorsement will be invited into a training pathway that includes both summer and winter training opportunities to best prepare them for the 2020 National Team Selection.

The application deadline is February 15, 2019. Please submit your letter of intent and resume to info@psia-w.org. For more information on the 2020 National Team Selection, click here:
